PERSONNEL AUTHORIZATION
NO. 05-13

1. The Distress Find Ribbon is awarded to the following CAP aircrew members for their participation in AFRCC Mission 05M1784. This mission involved the location of an ELT signal in a remote area of the eastern Mojave Desert. The ELT was traced to a crashed Robinson R-22 helicopter, N957SH, in a canyon. The new aircraft was on a delivery flight to Las Vegas, NV, and had not been reported as missing. Auth: CAPR 39-3
